

food court tables, edges and bases

Whether adding a few new tables to your present cafeteria or filling a new dining area, we are confident our Table, Edge, and Base selection will complement your décor and surroundings perfectly!

Match these tables with Palmer Hamilton's vast collection of chairs to fully customize your dining experience and find a look that is unique to your facility.

TABLES AND BASES

Palmer Hamilton's complete line of tables come in a wide range of styles, shapes, and laminate colors and patterns. We also offer customized graphic design on any of our tables. Available tabletop shapes include: traditional square and round tops, triangles and custom shape designs.

Table Bases are available in commercial-grade cast iron, steel, stainless steel, or aluminum. Three-prong, four-prong, and round base options are available in a variety of styles, heights, and finishes.

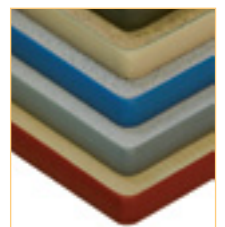

TABLE EDGES

EdgeGuard™ is a sprayed on polyurea edge treatment that provides superior resistance to moisture, eliminates unsanitary food traps, and is extremely tamper resistant. Edges stay sealed, preventing peeling and chipping. Durable for many years of use. A Palmer Hamilton exclusive!

SmartEdge™ is a poured urethane edge that bonds directly with the table core to provide a perfectly sealed seamless, smooth edge.

Aluminum Edges come in a classic etched or bright finish. These ribbed metal retro-style edges are a unique addition to your dining facilities.
