FEATURES & BENEFITS

- ▶ **Superior Comfort** is built right into the frame. Our s-curve saddle provides each individual with flexibility right where it's needed--in the back support. *Provide each guest with long-term seating comfort.*
- ▶ **The Industry's Strongest Frame** built with 16-gauge tubing and stabilizing bar system. 15% stronger than any other frame in the industry. *Provides durability, stability, and comfort.*
- ▶ **100% made in the USA** with locally sourced materials: recycled steel, bio-based foam cushioning and 30% post industrial recycled seat polymers. *Faster response, shorter lead times and superior factory execution.*
- ▶ **20-year Warranty** on structural and ten years on components from the original shipment date. *Longest warranty in the industry.*
- ▶ **Bio-based Foam** is more sustainable than traditional foams made with petroleum products while providing topnotch performance and comfort. *Environmentally safe, guest friendly.*
- ▶ **Double-booted Rocker Glides** are non-marring and self-leveling to eliminate swivel-glide failure—guaranteed for the life of the chair. *Ensures smooth movement on all flooring surfaces.*
- ▶ **Powdercoat Finish** creates a hard textured frame finish that is tougher and longer lasting than conventional paint. *Reduces chips, scratches and protects chair frame.*
- ▶ **Upholstery Options** include over 50 standard fabrics and hundreds of designer fabrics to choose from. *A vast variety of stylish fabrics to choose from.*
- ▶ **Zero Maintenance** with our innovative blow-molded seat with built-in self-tightening fastening system that tightens with every vibration. *No loose screws on the floor from repeated stacking, no more ruined vacuums from lost screws on the floor.*
- ▶ **BIFMA & 117 Standards** are tested and exceeded. *One less thing to worry about.*
